## NV 'GOLDEN WATTLE' MUSCAT

### SOUTH EASTERN AUSTRALIA

A classic Australian fortified, made from Muscat and fortified by adding grape spirit to the fermenting wine, halting the yeast and resulting in a sweet, rich wine. It is then aged for a long period in oak barrels, an average of 15 years in this case, and darkened to a golden-brown color in the process. Full of coffee and hazelnut characters, likened to roasted Golden Wattle seeds, for a seriously complex and luscious dessert wine.
